It is with great sadness that I share with you the news that our squadron's Deputy

Commanding Officer, Captain Gary Saxby, passed away peacefully Friday night as a result of an ongoing medical issue – this was not a Covid related incident. Captain Saxby dedicated a significant part of his life to the cadet program having recently completed 42 years of service and his loss will have a significant impact on our community.

The sudden loss of a role model, colleague, and friend is a heartbreaking reminder of the importance of looking after ourselves and each other. If there is a need to talk about this I would encourage you to do so. I would also like to make you aware that as parents and guardians of cadets the Canadian Forces Member Assistance Program is readily available to all cadets should there be a need for assistance. The CFMAP contact number is 1-800-268-7708. The Kids Help line is another avenue available for support by calling 1-800-668-6868 or texting 686868

1. DHQ when completed is confidential and must be hand delivered in a sealed envelope, therefore cannot be emailed to us.
2. The DHQ will be forwarded to Winnipeg Head Office where a Medical Officer will determine what the cadet's limitations are within the cadet training year based on the questionnaire.
3. If you have one of these DHQ's to hand in, please contact OCdt Martin to arrange a time to meet up and hand over the form. Please email [34aircadets@gmail.com](mailto:34aircadets@gmail.com) to arrange a meet up or drop off location.
