Level 5 Cadets

The level 5 workshop this year is being planned for the weekend of **30-31 January 2021**. This will be a virtual event. If you have not yet attended a level 5 workshop, please plan to be available for that weekend. The level 5 workshop is a mandatory requirement for earning the level 5 badge. Once we have more details, we will be asking cadets to register for this event, so please watch your emails.

There are a number of virtual music events coming up that interested cadets will need to register for:

1. Music Clinic

Deadline to Register: Sun 29 Nov

Dates: Sat 12 Dec – Sun 13 Dec

Location: WebEx Platform

Info: This is a full weekend of training for ALL music cadets interested in participating, regardless of their playing ability/skill level. Classes will include: Theory, Rhythm Studies, Conducting, Maintenance, Leadership, and Music Level Testing Preparation. Cadets wishing to register need to send an email stating what instrument they would be using for the clinic.

2. Virtual Music Lessons

Deadline to Express Interest: Sun 29 Nov

Info: The region is currently gauging interest for additional virtual music lessons. This would likely happen in the Jan-Mar timeframe, where cadets could be given lessons in a group setting virtually bi-weekly or so. These lessons would specifically be tailored to getting cadets ready for the next tentative date of music level testing in May 2021. Please send an email as soon as possible if you are interested in order to determine if there is enough interest to make this additional training happen. Cadets who are interested should send an email and include their instrument, and what music level they are wishing to achieve.
