CAF Famil “Tech Talks” Presentation schedule for the new year is being filled by CAF volunteers as available.

Current schedule as follows:

Date	Weekday	Presenter	Remarks	WEBEX Info
18 Jan 7:30 PM	Tues	HRA	Human Resources Administrator, a critical occupation that does not receive the recognition it deserves	Join from the meeting link https://canada.webex.com/canada/j.php?MTID=m775a Join by meeting number Meeting number (access code): 2336 949 1590 Meeting password: CAF_Famil_2022
27 Jan	Thurs	Mobile Support Equip Operator (MSE Op)	Tour transport hanger to discuss all manner of trucks and vehicles	
31 Jan – 04 Feb	TBD	TBD	Guest presenter TBC, no-show default will be Inf (slideshow with Q & A)	
07 Feb	Monday	MSE refuelling	MSE has many specialties – nothing moves without fuel	

Webex is used until cadets are onboarded to C-365;

- episodes go live at 1930 CST (Winnipeg) for audio checks;
- episodes start at 2000 CST;
- runtime is generally 30-40 minutes, can run longer depending on questions. Cadets are free to leave as required IOT meet other timings. Those that wish to remain longer for additional Q & A may do so.

he objective is CAF Familiarization, which is essentially an introduction to as many CAF members in as many occupations as possible. This is the team which ensures the CAF can maintain a strong, secure, engaged national defence policy. Every “cool job” has many other unseen team members working together to ensure their operational effectiveness. Every team member is essential, there are no “spare people” in the CAF. As these episodes are for general familiarization, they are open to all elements, as a Sea cadet in the prairies might not be

aware of the many RCAF pers required to keep a pilot in the sky. Coord is ongoing.
